WELL WATER USAGE AGREEMENT

CITY OF MARSING

FISCAL YR 2018

This agreement entered into	this(date) by and between	
(name) hereinafter referred	o as "Customer" and the City of Marsing Well Water system.	
The customer agrees to pay	69.30 for first 2000 gallons of well water pumped from the wells	
on the Canyon County side of	Marsing. For each 1000 gallons thereafter, the charge is \$3.38.	
This usage will be metered a	nd accounted for by the Maintenance department and thus	
charged to the customer fro	n said records.	
The Customer agrees to pay	promptly when the water usage is completed, whether it is a	
construction job or an indivi	construction job or an individual needing smaller amounts of water. The payment made needs	
to be in a timely matter, tak	ng no longer than three months after the last load is taken or the	
	I, unless the construction company is waiting a government	
	City of Marsing. Billings will go out on a monthly basis until	
payments are complete.
